

Online Clinic on Hay Fever

Friday 20th - Thursday 26th May 2011

talkhealth, in partnership with **NHS Choices**, **Action Against Allergy (AAA)** and the **Allergy Academy**, is opening an online interactive forum for people suffering with **hay fever**.

Our panel of leading clinical experts specialising in hay fever will be in the forum to:

- answer your questions about issues surrounding hay fever;
- offer advice on ways to help control hay fever symptoms;
- advise you on the different medications available; and
- provide you with valuable help and guidance.

More information

For more information visit www.talkallergy.com to view the forum and take part in the clinic.
