

Online Clinic on Psoriasis

Friday 28th October – Thursday 3rd November 2011

talkpsoriasis, in partnership with **NHS Choices** and the **British Skin Foundation and Psoriasis Association**, is opening an online interactive forum for patients and carers experiencing the difficulties associated with psoriasis.

Our panel of leading experts specialising in psoriasis will be in the forum to:

- answer your questions about issues surrounding psoriasis;
- advise you on different types of treatments and
- provide valuable help and guidance.

More Information

For more information visit <http://www.talkpsoriasis.com> to view the forum and take part in this clinic.
